For overview, see Bathhouse Row and Promenade, AR-28

For related structure, see Pythian Bathhouse and Hotel, AR-29

See also, Ricks Estate, AR-34-A through AR-34-C

*Built in 1911 The Maurice Bathhouse is considered to be similiar in style to the California Modern, exemplified by the works of Louis G Mullgardt and others in the Bay Region School. Interior features such as the stained glass skylight, the gymnasium with paneled walls and an inglenook fireplace flanked by a pair of seats, suggest the early work of Frank Lloyd Wright, or the California Modern Style.
